As Cessna's newest and largest training center in the Charlotte area, we hope you join us April 19th at our facilities in Monroe, NC (EQY), hosted by FlyCarolina and Air Care Aviation Services, Inc. – We will be featuring the **NEW Cessna 350/400** Aircraft, along with **2008 C182 and C206 models** - ALL Cessna's feature the industry-leading Garmin G1000 with the new Garmin GFC700 autopilot, - simply the **BEST-IN-CLASS!!** While these new avionics are the best in the industry, the enhanced ergonomics, design elegance and styling of the 2008 Cessna 350/400 model cockpits have to be seen to be appreciated.

This Open House is the perfect exhibit to showcase a functional cockpit of the **NEW Cessna 350/400**, with the G1000 and Cessna-exclusive ReadyPad™, and provide other visual specifications on these advanced technology aircraft.

NEW Cessna 350/400 featuring a Garmin G1000 with the new Garmin GFC 700 autopilot will be on display.

Come and learn why the Cessna 350 and 400 are the fastest single engine production aircraft available today - -There is much to see, touch, and appreciate from the glass-panel integrated avionics suites, and "SLX" value option package, including climate control, Hot Prop, TCAS, and much more.

The event will run from 10AM to 3PM, with **GOOD FOOD and BEVERAGES AVAILABLE.**

We hope to see you there!

Regards,

Dick Kruse
