

Premier Event
Cessna's launch of its
Traveling Showcase
(MMV)
at Rock Hill Aviation's facilities
in
Rock Hill, SC (UZA)

- **Saturday Nov. 22nd**
- **10 AM – 4 PM**
- **Lunch & Refreshments served**
- **Fly-ins Welcome**

We hope you join us Nov. 22nd for a premier appearance of Cessna's New Mobile Marketing Vehicle (MMV) at Rock Hill Aviation's (a NEW Cessna Pilot Center) ramp in Rock Hill, SC. This traveling technical marvel showcases our aircraft line-up, Cessna pilot training, and features other educational kiosks which highlight the full Cessna support experience.

Don't miss the exciting Cessna Line-up - from the C172S, multi-purpose C182T or 206H, as well as the new low-wing "speed demons" – **the stylish Cessna 350 /400 Aircraft**. The complete line-up features the industry-leading Garmin G1000 with the Garmin GFC-700 autopilot.

This Open House is the perfect exhibit to showcase a functional cockpit of the **NEW Cessna 350/400**, with the G1000 and Cessna-exclusive ReadyPad™, and provide other visual specifications on these advanced technology aircraft.

Walking Displays in Cessna's Mobile Showcase

Come and tour our new MMV Showcase - - Learn about the extensive 9-model single engine line-up. There is much to see, touch, and appreciate from the glass-panel integrated avionics suites, and "SLX" value option packages offered on the C350 and C400 models, including climate control, Hot Prop, TCAS, and much more.

We hope to see you there and...Be sure to bring a friend!

Regards,
